<b>Award Description</b>	<p>The Seattle Police Department (SPD) Internet Crimes Against Children (ICAC) Task Force has participated in the federal ICAC Task Force Grant Program since 2000. The funding from the OJJDP Recovery Act ICAC Task Forces will be used to prevent, interdict, investigate and prosecute offenders who victimize children. It is also an opportunity to promote economic recovery by retaining two positions and creating one new position. The program goal is to address the problem of an exponential increase in the number of child exploitation, child obscenity and pornography cases. SPD will address this problem by strengthening regional investigative capacity, analyze training deficiencies and investigative inefficiencies, and continuing public</p>

outreach/education to students and parents. The Recovery Act funding will provide the opportunity to purchase of a digital forensic van to assist with all forensic examinations and increase the effectiveness of moving cases faster to prosecution. SPD will serve as the lead agency within Washington State and will measure the program's success by several indicators: 1) the increase in the total number of participating ICAC affiliate agencies, 2) the percentage increase in the number of investigations, arrests, and prosecutions, 3) the number of attendees who complete investigative techniques training, and 4) the number of requests for technical assistance from affiliate agencies.

Lab responded to 31 requests for technical assistance from partner agencies. Victim Advocate (VA) delivered 39 presentations to 7,440 attendees. VA also continued to provide support to 4 new & ongoing cases. Since the launch of the mobile unit, 5 assists on ICAC cases with Task Force affiliates have occurred for a total of 8 uses of the mobile unit. The ICAC Program Analyst conducted initial outreach efforts to agencies in unaffiliated counties. Those efforts yielded in pending MOU's with 17 new agencies. Of those agencies, 8 are Native American Tribal Police Departments. Four training events were sponsored during the quarter. In October, the ICAC Program Analyst coordinated the logistical planning to host a presentation by Girls Educational & Mentoring Services (GEMS). It helped to increase knowledge of commercial sexual exploitation of children (CSEC) & domestic sex trafficking (DST) by teaching an understanding of CSEC/DST victims & examined best practices for investigating/prosecuting cases. The two sessions were in partnership with GEMS & National District Attorneys Association (NDAA). At the regional ICAC meetings, additional training was provided on a forensic digital triage tool class and a presentation on "Forensic Medical Response to ICAC Cases" by a local practitioner.
